- Milling & Communion
- Flocculants & Coagulants
- pH Adjustment & Control
- Leaching & Absorption
- Leach Accelerants & Oxidants
- Flotation Collectors
- Flotation Activators & Depressants
- Flotation Frothers
- Cyanide Detoxification
- Scale Inhibition, Descalants
- Antiscalants - Biocides
- Gold Room Reagents
- Speciality & Other

WATER TREATMENT

- Anti-Scalants & Dispersants
- Phosphonates
- RO Membrane Deposit Control
- Thermal Desalination • Boilers
- Biocides • Corrosion Inhibitors
- Mine Scale Inhibition, Descalant – Antiscalant - Biocides

SAFETY EQUIPMENT

- Hand protection
- Eye protection
- Ear protection
- Body protection
- Falling protection
- Site protection
- Foot protection

HARDWARE EQUIPMENT

- Steel
- Cements
- Nails & hammers
- Tools
- Bolts & nuts
- Electric fences
- Fire alarm systems
- Security systems

RELINING

- Operator Relining Machine
- Certificate from RME {Russel Mineral Equipment}
- Certificate Course 10902NAT.

Our Portfolio

BUILDING AND CONSTRUCTION EQUIPMENT

- concretes • Bricks
- DMP, DPM • Building board
- Interior design boards
- Roofing materials
- Surface Coatings
- Sound proof material
- Glasses & Aluminium

ELECTRONICS EQUIPMENT

- Conducts and wires
- Meters and circuit Breaker
- Cables & connectors
- Lamps & Bulbs
- DC & AC measuring tools

HARDWARE EQUIPMENT

- Pipes and cocks
- Connectors • Meters
- Regulators and pressure measures

WELDING EQUIPMENT

- Welding machine
- Welding tools & spare parties e.g. Afrox & ESAB
- Electrodes
- Welding protective gears

WATER EQUIPMENT

- Pipes and cocks
- Connectors
- Meters
- Regulators and pressure measures

CUTTING DISK

- brands (TOTAL & MAKITA)

PUMP SPARES

- Volute liner high chrome
- impeller high chrome
- insert plate metal high chrome

Our Strategy

Our Sustainability Principles

As a family group of companies driven by innovation and excellence our sustainable guiding principle is to empower our customers' goals through world-class products and services. We give special value on People, Products, Planet and Performance

SPECIALIZATION

Differentiates us through unique value creating offerings to our customers.

COMMERCIAL EXCELLENCE

Differentiates us through unique value creating offerings to our customers.

OPERATIONAL EXCELLENCE

Empowers us to respond to the voice of the customer with relentless continuous improvement

GLOBALIZATION

Positions us to serve our customers consistently, everywhere in the world.

PEOPLE

We value our employees, our business partners, and our social environment.

PRODUCTS

PLANET

We uphold high environmental safety standards and innovative waste and recycling concepts.

PERFORMANCE

Our portfolio of products and services is tailored and managed to add value for all stakeholders without compromise.

Our Culture

CORE VALUES

Our Four Core Values have shaped our corporate and business relations culture since the very beginning and they are still relevant today. These core values act as our guiding light, our daily benchmark, ensuring we speak and stand for consistency throughout.

PERSONAL VALUES

These personal values begin with each of us—the judgments and decisions we make as individuals affect the way MEDO GROUP is viewed in the marketplace and in the communities where we work.

Our Commitment to the Society

As a value-based organisation, to use every new day seeking and understanding the needs and problems of producers and customers and connecting them with products or services, that strengthen their relationship in daily basis. We are responsible to give solutions and satisfy needs of everyone we connect with.

- Family driven
- Time oriented
- Service oriented
- Team work
- Growth and profitability

Our Footprint

Positioned for agile delivery of mission-critical products and services, we support our clients' business needs without compromise

Our Partners

Our business partners work together with us across our operations around the Continent to deliver products, services, equipment and technologies you need to work smarter, faster, and safer.
